**\*\* All graphics viewed from the exterior**

**\*\* Rough opening dimensions are minimums and may need to be increased to allow for use of building wraps or flashings or sill panning or brackets or fasteners or other items.**

Ask to see if all of the products you purchase can be upgraded to be ENERGY STAR® certified.

**This image indicates that the product selected is certified in the US ENERGY STAR® climate zone that you have selected.**

Data is current as of November 2019. This data may change over time due to ongoing product changes or updated test results or requirements. Ratings for all sizes are specified by NFRC for testing and certification. Ratings may vary depending on the use of tempered glass or different grille options or glass for high altitudes etc.
