Respectfully submitted,

Steven Secon, AIA

SUBMISSION REQUIREMENTS FOR LARGE SCOPE PROJECTS

Definition of a Large Scope Project: New buildings or modification(s) of existing buildings, including, but not limited to: the construction, reconstruction, replacement or alteration of any building or structure which after said construction, reconstruction, replacement or alteration will cause changes to the height, bulk, mass, square footage, footprint, roof structure, attached porch or deck. This shall include any unattached accessory structure such as a shed, playhouse, pool house, garage, greenhouse or other structure which use is incidental to the principal building.

Applicant Name: Steven Secon Date Filed: 2/16/22

Property Address: 50 Judson Ave

Check Application Type (may be more than one):

☐ New Building ☒ Altered Building ☐ Accessory Building ☐ Porch or Deck

Description of Proposed Work:

rear deck and addition, driveway widening, drainage

BUILDING DEPARTMENT

A copy of this completed form is to be included as a cover sheet for submissions to the AHRB.

In the table below, please indicate the type of submission by checking the applicable box or boxes indicated. Items denoted * in the column below your project type are the minimum required items for a complete application to the AHRB. Please indicate the type of submission. Please indicate by initialing each box in the appropriate column confirming that the information has been submitted. Do not initial for items if they are not included.

The AHRB reserves the right to ask for any additional information as specified on this form, if not included in the initial application, and may deem the application incomplete and not ready for review until this information is included. Resubmissions should reflect all comments made at the previous meeting and should be indicated with a note or a bubble on the plan, and shall include any additional requested information.
