MOM

The image shows a storefront window with a black horizontal band across the middle. On this band is a red logo that reads 'MOM', where the 'O' is replaced by a red apple with a green leaf. To the left of the window is a tan stone wall. In the foreground, there is a black metal railing. The window itself is divided into several panes. The right side of the window is clear glass, providing a view into a brightly lit store interior. Inside the store, there are shelves stocked with various products, including what appear to be canned goods and packaged items. The store has a polished floor and fluorescent lighting on the ceiling.
