Klaycoat | The Craft

Finish every project strong, every time.

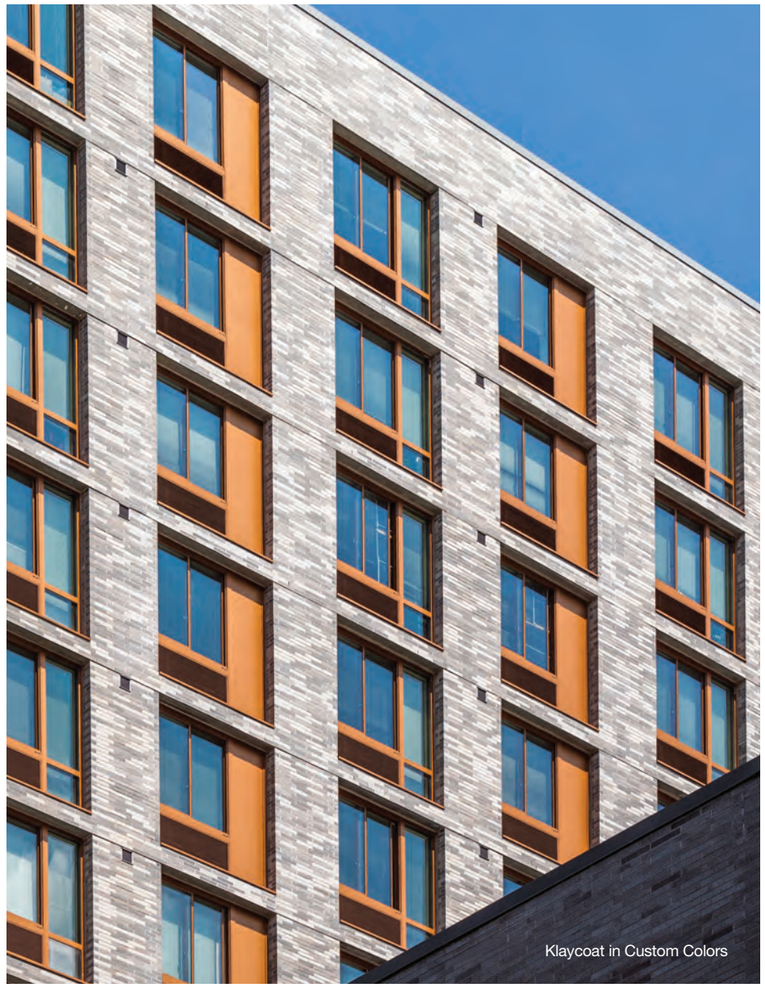

When you build with Glen-Gery Klaycoat®, color is more than just a finishing touch. It's a focal point that takes any project from "okay" to "outstanding." That's inevitable when you have the opportunity to customize the color of your project in an unexpected way to meet any ask and exceed every expectation.

Klaycoat in Custom Colors

Style in every shade.

Embrace the liberating reality of being able to build with any color you can imagine—and ones you couldn't.

Klaycoat
BRICK PRODUCT

Product Overview

Available in an unprecedented variety of colors (including customized iterations), Klaycoat® offers a world of new options to satiate your imagination when it comes to building with brick. Its permeable coating bonds to the surface of the brick and allows liquids and vapors to pass in and out without compromising the overall brick aesthetic.

Details

Suggested use: interior and exterior applications including walls, ceilings, archways, copings, custom projects, and more.
