SUBMISSION REQUIREMENTS FOR LARGE SCOPE PROJECTS

<u>Definition of a Large Scope Project</u>: New buildings or modification(s) of existing buildings, including, but not limited to: the construction, reconstruction, replacement or alteration of any building or structure which after said construction, reconstruction, replacement or alteration will cause changes to the height, bulk, mass, square footage, footprint, roof structure, attached porch or deck. This shall include any <u>unattached</u> accessory structure such as a shed, playhouse, pool house, garage, greenhouse or other structure which use is incidental to the principal building.
