

The Hoffman Residence

242 Clinton Avenue, Dobbs Ferry, New York 10522

1 NOTES

1. Approved subject to all requirements and conditions of a July 1, 2021, resolution of the Planning Board of the Village of Dobbs Ferry, New York. Any change, erasure, modification, or revision of this plan, absent re-approval from the Planning Board, shall void this approval.
2. All construction work shall be performed in compliance with the administrative Building Code of the village of Dobbs Ferry, NY, and all other applicable ordinances and regulation of all Governing Agencies having jurisdiction over the work.
3. All Construction, including Plumbing, Mechanical and Electrical work, to be performed by Licensed Contractors and all required permits and certification shall be obtained prior to commencement of work.
4. The services of Gregory Sharp Architect (GSA) are being performed solely for the clients benefit and no Contractor, Subcontractor, Supplier, Fabricator, Manufacturer, Tenant, Vendor, Consultant or other third party shall have any claim against GSA as a result of the architectural agreement with the client or the performance or non-performance of GSA's services. It is understood that this provision will be brought to the attention of the parties with whom the client contracts and have them do the same with those who they contract.
5. The Construction and vendor contracts shall include provision describing GSA's role as stated in this agreement with respect to construction and installation of the furnishing and require the Contractor(s) (and any Vendors(s) working on the job site) to indemnify the client and GSA as set forth in the indemnification clause below, which shall appear in the Construction and Vendor Contracts. This obligation shall be insured by the contactor(s) and its subcontractors and any vendor working on the job site.
6. The contractor(s) shall defend, indemnify and hold harmless GSA and their respective directors, officers, partners, employees, and agents, from any and all claims directly or indirectly arising or alleged to arise out of the adjoining land or driveways, or streets or alleys used in connection with the performance of the work, and from any and all claims by Workmen, Suppliers or Subcontractors who are involved in the performance of the work.
7. The obligators set forth in this provision shall specifically include, but not be limited to, all claims directly or indirectly arising or alleged to arise under any scaffolding, structural work with respect to the protection of adjacent landowners.
8. The Contractor(s) shall be notified of any claims against GSA and given such reasonable information, authority and assistance as may be requested by him to enable him to perform the obligations set forth in this section. Failure to notify the Contractor(s) of a claim or to give such information, authority and assistance shall not discharge the obligations set forth in this section unless the Contractor(s) has been prejudiced in the defense of such a claim.
9. The Contractor(s) also expressly warrants and guarantees to GSA that all work performed by the Contractor(s), its Workmen, Suppliers and Subcontractors, shall conform to the requirements of the the contract documents and shall be performed in a safe and careful manner. The foregoing shall not deprive GSA of any other action, right or remedy otherwise available to them, at common law or otherwise. The term "Work" for purposes of this section means the obligations undertaken by the Contractor(s) pursuant to the contract documents. Work includes, unless specifically excepted, Furnishing all Material, Labor, Equipment, Supplies, Plant, Tools, Scaffolding, Transportation, Superintendence, Insurance, Taxes and all other Services, Facilities, and Expenses necessary for the full performance and Completion of the Requirements of the Contract Documents. Work also includes that which produced, constructed or built pursuant to the Contract Documents.
10. The Construction Contacts shall include a provision requiring the Contractor(s) or Vendor(s) to warrant to the Client and GSA that all Materials and Equipment Furnished will be new unless otherwise specified, and that all work will be of good quality, free from faults and defects and in conformance with the Construction Documents.
