

MEMORANDUM

TO: Stephen Hunter, Chair and Members of the Village of Dobbs Ferry Planning Board

FROM: Valerie Monastra, AICP

CC: Dan Roemer, Building Inspector
Anthony Oliveri, P.E., Village Engineer
Dan Pozin, Village Attorney

DATE: April 4, 2022

RE: 24 Eldredge Place

Richard Berry (the “Applicant” and “Owner”) is seeking Site Plan approval to renovate an existing 1 story building. The renovations include demolishing the existing structure, new interior basement plans, and new first and second stories. The property is located at 24 Eldredge Place, Section Block and Lot 3.120-108-7 (“Project Site”) and is located in the OF-4, One Family Residential 4, zoning district.

GENERAL AND PROCEDURAL COMMENTS

1. **County Board Referral.** This Project requires a notification to the Westchester County Planning Board per section 239 L, M, and N of the New York State General Municipal Law and section 277.61 of the County Administrative Code because the project is within 500 feet of Old Croton Aqueduct Trailway State Park and US Route 9.
2. **SEQR.** This application is categorized as a Type II action under SEQR because it consists of the “construction or expansion of a single-family, two-family, or a three-family residence on an approved lot.” No additional SEQR review is necessary.
3. **Site Plan Approval.** This application requires Site Plan approval by the Planning Board per Section 300-52 of the Zoning chapter. A public hearing will be required for Site Plan approval.
4. **Zoning.** The Applicant provided a zoning table for the OF-4 district and the Project will meet the zoning requirements for this district.
5. **Architectural and Historic Review Board.** This application will require Architectural and Historic Review Board approval.

6. **Local Waterfront Revitalization Consistency.** The Village Board will need to make a consistency determination with the Village's LWRP per §300-52 (D) as part of its final Site Plan approval. The Applicant has provided a Coastal Consistency Form.

SITE PLAN COMMENTS

1. **Lighting.** The Applicant should provide a lighting plan and all proposed lighting must comply with §300-41 of the Zoning chapter.
2. **Landscaping.** The Applicant provided a landscaping plan and a schedule of proposed plantings per §300-44 of the Zoning chapter. None of the proposed plants are invasive.
3. **Trees.** The Applicant is proposing the removal of one (1) tree.
4. **Stormwater Management Plan.** The Applicant provided a stormwater management plan. The Village Engineer will review and provide comment on this information.
5. **Erosion and Sediment Control.** The Applicant has provided a proposed erosion and sediment control plan. The Village Engineer will review and provide comment on this information.
