Full Environmental Assessment Form Part 1 - Project and Setting

Instructions for Completing Part 1

Part 1 is to be completed by the applicant or project sponsor. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification.

Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information; indicate whether missing information does not exist, or is not reasonably available to the sponsor; and, when possible, generally describe work or studies which would be necessary to update or fully develop that information.

Applicants/sponsors must complete all items in Sections A & B. In Sections C, D & E, most items contain an initial question that must be answered either "Yes" or "No". If the answer to the initial question is "Yes", complete the sub-questions that follow. If the answer to the initial question is "No", proceed to the next question. Section F allows the project sponsor to identify and attach any additional information. Section G requires the name and signature of the applicant or project sponsor to verify that the information contained in Part 1 is accurate and complete.

A. Project and Applicant/Sponsor Information.

Name of Action or Project: The Masters School - Innovation and Entrepreneurship Center		
Project Location (describe, and attach a general location map):		
49 Clinton Avenue, Dobbs Ferry, NY (SBL: 3.90-66-1)		
Brief Description of Proposed Action (include purpose or need):		
Construct a three-story (plus cellar), approximately 22,361 square-foot classroom/workshop a action will also include landscaping, utilities, stormwater management, and other site improve proposed action also includes the merger of the Property's six tax lots into one tax lot. C. Planning and Zoning

C.1. Planning and zoning actions.	
 Will administrative or legislative adoption, or amendment of a plan, local law, ordinance, rule or regulation be the only approval(s) which must be granted to enable the proposed action to proceed? If Yes, complete sections C, F and G. If No, proceed to question C.2 and complete all remaining sections and questions in Part 1 	□Yes Z No
C.2. Adopted land use plans.	
a. Do any municipally- adopted (city, town, village or county) comprehensive land use plan(s) include the site where the proposed action would be located?	⊿ Yes □ No
If Yes, does the comprehensive plan include specific recommendations for the site where the proposed action would be located?	ℤ Yes □ No
 b. Is the site of the proposed action within any local or regional special planning district (for example: Greenway; Brownfield Opportunity Area (BOA); designated State or Federal heritage area; watershed management plan; or other?) 	∐Yes ∑ No
If Yes, identify the plan(s):	
c. Is the proposed action located wholly or partially within an area listed in an adopted municipal open space plan, or an adopted municipal farmland protection plan?If Yes, identify the plan(s):	∐Yes ⊠ No

C.3. Zoning	
a. Is the site of the proposed action located in a municipality with an adopted zoning law or ordinance. If Yes, what is the zoning classification(s) including any applicable overlay district? Institutional/Educational District	⊘ Yes⊡No
b. Is the use permitted or allowed by a special or conditional use permit?	☑ Yes ☐ No
 c. Is a zoning change requested as part of the proposed action? If Yes, <i>i.</i> What is the proposed new zoning for the site? 	☐ Yes Z No
C.4. Existing community services.	
a. In what school district is the project site located? Dobbs Ferry School District	
b. What police or other public protection forces serve the project site? Dobbs Ferry Police Department	
c. Which fire protection and emergency medical services serve the project site? Dobbs Ferry Fire Department and Volunteer Ambulance Corps, Inc.	
d. What parks serve the project site? Recreational space on site, including track/field and baseball diamond. Old Croton Aqueduct Trail and Gould Park nearby.
