PETITION FOR AMENDMENT TO VILLAGE OF DOBBS FERRY ZONING ORDINANCE

X
Zoning Ordinance
For Amendment to the Village of Dobbs Ferry

TO THE HONORABLE BOARD OF TRUSTEES:

PETITIONER, Mobius Veterinary Services ("Petitioner") hereby petitions the Board of Trustees of the Village of Dobbs Ferry for amendments to the Zoning Ordinance of the Village of Dobbs Ferry (the "Zoning Ordinance") as follows:

INTRODUCTION

- 1. Petitioner is a veterinary clinic specializing in mobile ultrasounds and internal medicine consultations for dogs and cats throughout the greater Westchester region, which is operated by Dr. Kerry Heuter, a New York State licensed veterinarian.
- 2. Petitioner is the lessee of Suite D10 at the property located at 47-55 Hamilton Street, Dobbs Ferry (Town of Greenburgh), County of Westchester, State of New York (hereinafter referred to as the "Property") and is commonly known as Rivertowns Square. The Property is shown and designated on the Village of Dobbs Ferry Tax Map as 3.180-155-1, 3.180-156-2, 3.180-157-2 through 8.
- 3. The Property is owned and managed by Rivertowns Square Regency LLC, a duly formed Delaware limited liability corporation authorized to do business in the State of New York.

- 4. The Property is located within the Chauncey Park (CP) Zoning District on the Village of Dobbs Ferry Zoning Map.
- 5. The Property is located on the western side of the Saw Mill Parkway and is in close proximity to the New York State Thruway. To the north of the Property is a luxury apartment complex known as the "Danforth Apartments", and to the south is the Dobbs Ferry Public Works Department. The Saw Mill River Parkway is directly to the east, and beyond the Parkway is a mix of vacant land and commercial businesses including a family-oriented amusement center, a landscaping business, and a window shading business. The western side of the Property is largely bordered by undeveloped wooded land; further west are residential uses including single-family dwellings and a non-profit residential childcare facility. Chauncey Square, an existing commercial development, is contiguous to the Property and features tenants including New York Sports Club, GNC, and Starbucks.
- 6. Currently, the Property is a mixed-use commercial development and is improved with five commercial buildings totaling over 116,000 square feet of development space, together with approximately 750 parking spaces.
- 7. For the reasons set forth in detail below, Petitioner requests a text change to the Zoning Ordinance to permit general animal-related uses within the CP District. A copy of the proposed Local Law effectuating the proposed Zoning Text Amendment is attached hereto as Exhibit A. No changes are proposed for the current zoning classification of the Property, or any other properties within the CP District.

CURRENT AND PROPOSED USES

8. The overall Property is approximately 8.8 acres and features a variety of commercial uses, including restaurants, a supermarket, retail stores, personal service facilities including hair, nail, and eyelash salons, a gymnastics center, and a luxury cinema. The Property also contains an urgent care center, educational childcare facility, and a hotel. Petitioner's proposed leased premises (the "Premises") is unit D10 at the Property, which is approximately 3,102 square feet in size.

- 9. The Petitioner is proposing a Zoning Text Amendment to permit general animal-related use within the CP District, which is currently a principal permitted use within the Village's Downtown Business (DB) and Downtown Gateway (DG) Districts, and a special permit use within the Downtown Transition (DT) District,
- 10. The Petitioner desires to open a veterinary office at the Premises specializing in Internal Medicine for dogs and cats. Specifically, the Petitioner proposes to provide consultations, ultrasounds, endoscopies, CT scans, and a variety of other testing and therapy services. The Applicant does not propose to treat large animals and will <u>not</u> offer overnight care services or boarding whatsoever.
- 11. As defined in Zoning Ordinance § 300-15C.(2)(a), general animal-related uses "have no outdoor facilities and provide services or treatment only for domestic animals such as dogs, cats, fish, birds, and small mammals. Overnight boarding is provided only following medical treatments. Examples include pet sales and grooming uses and veterinary clinics." Accordingly, the veterinary office proposed by the Petitioner is consistent with the definition of "general animal-related uses."
- 12. It is respectfully submitted that the proposed new use is consistent with the existing uses permitted within the CP District. For example, medical and dental offices are permitted within the CP District, which is defined by the Zoning Ordinance to include chiropractic clinics, medical and dental labs, blood-collection facilities, and physical therapy clinics. Zoning Ordinance § 300-15. As noted above, the Property currently features an urgent care clinic that treats non-life-threatening illnesses and injuries and provides a variety of testing and healthcare services. The veterinary services proposed by the Petitioner are similar in scope to the existing medical office use permitted at the Property, and with the medical office uses generally permitted within the CP District.

PROPOSED TEXT AMENDMENT TO THE ZONING CODE

13. Petitioner respectfully requests a Zoning Text Amendment to permit general animal-related uses within the CP District. The specific proposed Zoning Text Amendment as set forth in the proposed local law is attached hereto as Exhibit A.

14. For all the foregoing reasons, it is respectfully submitted that the proposed Zoning Text Amendment should be granted.

WHEREFORE, Petitioner respectfully requests that the Village Board of Dobbs Ferry amend the Zoning Ordinance of the Village of Dobbs Ferry as set forth above.

Dated: White Plains, New York August 25, 2023

Respectfully submitted,
