<b>Part 1 – Project and Sponsor Information</b>			
Name of Action or Project: New Single Family Home at 0 North Mountain Drive			
Project Location (describe, and attach a location map): 0 North Mountain Drive, Dobbs Ferry, NY, which is the east side of the street. Out parcel from 79 North Mountain Drive.			
Brief Description of Proposed Action: The construction of a new single-family home with integral three car garage and swimming pool is proposed for this property. Due to the steep slopes provisions in the Dobbs Ferry Village Code, there is a deduction that has to be made which will reduce the gross area of the site from 23,337 square feet to 15,241 square feet. This will require a variance from the Zoning Board of Appeals, since the required lot size in the OF-2 zoning district within which the property is located requires a net site area of 20,000 square feet.
