Re: Garbage & Recycling Bins Proposal – Follow Up

We were asked by the Board to get prices and see if we receive a discount for purchasing all of the garbage and recycle bins at once instead of in phases. We received two quotes: one from TrashCansWarehouse.com and another from Recycle Away. There is a small discount (about \$100 per set of bins) if we buy them in bulk, however, because the overall cost is over \$70,000.00 we would be required to go out to bid. This is over our procurement policy and would have to be formally put out to bid.

We are asking the Board if you want us to prepare bid specs and go out to bid for the full amount of all bins at once or do the phased approach. See attached quotes.

Thank you.
