BOT presentation

Dear Mayor and Trustees,

Thank you for giving us the opportunity to introduce the Friends of Dobbs Ferry Seniors at the BOT meeting on April 25, 2023. Below is a brief description of our organization.

***Friends of Dobbs Ferry Seniors***, is a new grass roots organization created with the goal to aid our community's senior citizens. Seniors are essential members of our community, but as resources become scarcer, they are now more at risk to the mental and physical impacts of social isolation and loneliness. ***Friends of Dobbs Ferry Seniors*** will facilitate programs to engage seniors in meaningful activities, which studies prove will enhance a senior's sense of purpose, improving their well-being, and helping them to live longer and more productive lives.

Thank you,

Donna Cassell
