Re: Request to Amend Budget Line A.3120.496

Date: June 11, 2021

Prior to the close of January 6th 2021, Sergeant Jamie Castiello completed and submitted the FY 2019 Cyber Security Grant Program. This funding is provided by the U.S. Department of Homeland Security and administered via the NYS Division Department of Homeland Security and Emergency Services.

On April 19, 2020, the Village of Dobbs Ferry was awarded \$8,321 in federal funding so that we could enhance and improve our cyber security.

The police department has received a quote for a security application in the amount of \$9,253.95. This purchase would fall within the parameters of the awarded grant.

I am looking to amend the budget with the following adjustments:

Increase A.3120.496, Computer Software Line - \$9,254.00

Increase A.4389, Federal Revenue-Other Public Safety Line - \$8,231.00

Increase A.0599, Appropriated Fund Balance Line - \$1,023.00

In light of recent hacking events nationally, if given permission to increase the above mentioned budget lines to accommodate the awarded grant, the police department will purchase the Barracuda advanced threat protection system.

I thank you for your assistance in this matter.

The Honorable Vincent Rossillo
Mayor, Village of Dobbs Ferry
112 Main Street
Dobbs Ferry, NY 10522

Dear Mayor Rossillo:

I am pleased to announce that the Village of Dobbs Ferry has been awarded \$8,321 in federal funding under the FY 2019 Cyber Security Grant Program. Funding for this initiative is provided by the U.S. Department of Homeland Security's (DHS) State Homeland Security Grant Program (SHSP) and is administered by the New York State Division of Homeland Security and Emergency Services (DHSES). The performance period for this award is April 1, 2021 through August 31, 2022.

As outlined in your application, this funding is provided to enhance and sustain your jurisdiction's cyber security posture as well as ensure that your information systems are secured and protected from cyber incidents through equipment, training, exercise, and planning projects.

Additionally, all capabilities developed through federal FY 2019 SHSP funding are required to be deployable regionally and nationally per the federal guidelines. All funding through this grant program is subject to both New York State and federal guidelines and regulations.

To ensure these funds are made available as quickly as possible, a representative from DHSES's Grants Program Administration Unit will be reaching out to your grant point of contact. If you have any questions about this program, please contact my Program Manager of Grants Program Administration, Eric Abramson at (518) 402-2123.

Congratulations on your award and I look forward to working with you to administer this program.

Sincerely,

Patrick A. Murphy
Commissioner
