RE: Status of 83 Main Street Site Plan Review
Renovation of Existing Barn

DATE: April 2, 2024

cc: Robert Yamuder, Village Administrator
Valerie Monastra, AICP, Village Planning Consultant
Daniel Roemer, Village Building Inspector

Your review of the request for Site Plan Approval for the project at 83 Main Street continues this evening with the opening of the mandatory public hearing. The Dobbs Ferry Planning Board completed its review on March 7, 2024 and forwarded a recommendation, a copy of which is in your meeting materials.

I note that the applicant has not submitted any updated materials or additional information to you in response to the comments and requests detailed in the Planning Memo dated February 5, 2024. The site plans have not been updated since November 20, 2023. The open substantive topics include: (1) Parking Calculations, request for PILOP; (2) Rights to Shared Access; (3) ZBA Variance §300-52(D); (4) Fire Department Review; (5) Lighting Plan; (6) Landscaping; and (7) AHRB approval.

I recommend that the public hearing should remain open until updated documents, input and information is received.

MEMORANDUM

TO: Mayor Rossillo and Members of the Village of Dobbs Ferry Board of Trustees

FROM: Valerie Monastra, AICP
Sam Justiniano, Planning Analyst

CC: Robert Yamuder, Village Administrator
Lori Lee Dickson, Esq., Village Attorney
Dan Roemer, Building Inspector

DATE: February 5, 2024

RE: 83 Main Street

Stephen Tilly, Architect (the “Applicant” and “Contract Vendee”) is seeking Site Plan approval for the renovation of an existing “barn” building to include commercial space on the first floor and one family dwelling on the second floor. Improvements include a new staircase, windows, dormers and other aesthetic improvements, but the height and overall footprint of the building will not be changed. The property is located at 83 Main Street, Section Block and Lot 3.80-40-3 (“Project Site”) and is in the DB, Downtown Business, zoning district.

GENERAL AND PROCEDURAL COMMENTS

1. **County Board Referral.** This Project requires a notification to the Westchester County Planning Board per section 239 L, M, and N of the New York State General Municipal Law because the project is within 500 feet the Old Croton Aqueduct State Trailway.
2. **SEQR.** This application is categorized as an Unlisted Action under SEQR because it consists of the renovation and changing of use of an existing accessory storage structure (barn) into a mixed-use building. It is recommended that the Village Board declares its Intent to be Lead Agency. The Applicant has submitted a Part 1 Environmental Assessment Form.
3. **Site Plan Approval.** This application requires Site Plan approval by the Village Board of Trustees and a recommendation to the Planning Board per Section 300-52 of the Zoning chapter. A public hearing conducted by the Village Board will be required for Site Plan approval.
4. **Zoning.** The project site is in the Downtown Business (DB) District. The Applicant has provided Bulk Regulations table and appears to need a variance for the rear setback of 10 feet from lots

in a residential zoning district. The building is an existing nonconformity, and the applicant is not proposing to increase the nonconformity. In accordance with § 300-52F, the applicant will need to apply to the Zoning Board of Appeals (ZBA) for this variance. The Village Board should consider referring this application to the ZBA for its review.

5. **Architectural and Historic Review Board.** This application will require Architectural and Historic Review Board approval.
6. **Local Waterfront Revitalization Consistency.** The Village Board will need to make a consistency determination with the Village's LWRP per §300-52 (D) as part of its final Site Plan approval. The Applicant has provided a Coastal Consistency Form.

SITE PLAN COMMENTS

1. **Lighting.** Is the applicant proposing any outdoor lighting? A lighting plan has not been provided.
2. **Site Access.**
 - a. How will tenants and customers access the site? The alley way looks narrow. How will that access be improved for safety and use by the public. If access is proposed from the rear of the property through the neighboring property, an access agreement needs to be provided to the Village Board for their review.
 - b. It is recommended that this application be referred to the Fire Department for their review with regard to emergency access.
3. **Payment in Lieu of Parking.** In order to identify the exact number of parking spaces required for this project, the applicant should provide a calculation of the net floor area related to each use. The applicant may then request a payment in lieu of parking per Section 300-48(H)(4). The following parking standards will apply to the project:
 - a. **Retail** – 1 space for every 500 square feet of floor area
 - b. **Office** – 1 space for every 333 square feet of floor area
 - c. **Mixed Use** – 1 space per dwelling unit plus .25 space per bedroom
4. **Signage.** Will there be signage on the barn and if so, please provide those details.
5. **Survey.** Please provide a stamped survey of the property.

SUBMISSION MATERIALS

The following materials were submitted by the Applicant and examined by our office for the preparation of this review:

- Land Use Approval Application by Stephen Tilly, dated January 22, 2024.
- Short Environmental Assessment Form, Part 1, by Stephen Tilly, dated January 23, 2024.
- LWRP Consistency Review Coastal Assessment Form, not signed and undated.
- Survey by Summit Land Surveying, dated March 11, 2021.
- Engineering Plan Set by Building Structural Engineering Services LLC< dated October 20, 2017, including:
 - S-1 Foundation Plan, Sections, Details and General Notes
 - S-2 Roof Framing Plan, Sections, Details and General Notes
- Architectural Plan Set, by Stephen Tilly, dated July 1, 2023, last revised November 20, 2023, including the following:
 - T-100 Title Sheet
 - A-100R Plans & Sections
 - A-200R Elevations

RESOLUTION 4-2024

VILLAGE OF DOBBS FERRY PLANNING BOARD RECOMMENDATION RESOLUTION

Property: 83 Main Street (Section Block and Lot 3.80-40-3 and DB Zone)

Background

WHEREAS, Stephen Tilly, Architect (the "Applicant" and "Contract Vendee") is seeking Site Plan approval from the Village Board of Trustees for the renovation of an existing "barn" building to include commercial space on the first floor and a one-family dwelling on the second floor. The property is located at 83 Main Street, Section Block and Lot 3.80-40-3 ("Project Site") and is located in the DB, Downtown Business, zoning district; and;

WHEREAS, this application was referred to the Planning Board by the Village Board of Trustees for a recommendation; and

WHEREAS, The Planning Board has carefully examined the Application and the Applicant's materials as follows:

- a. Land Use Approval Application, dated January 22, 2024
- b. LWRP Consistency Review Coastal Assessment Form, undated
- c. Short EAF form Part 1, dated January 23, 2024
- d. Engineering Plan Set by Building Structural Engineering Services LLC, dated October 20, 2017
- e. Architectural Plan Set by Stephen Tilly, dated July 1, 2023, last revised November 20, 2023

WHEREAS, the Planning Board has also reviewed and examined letters, reports, and memorandum from the Board's consulting engineer and planner; and

WHEREAS, the Planning Board deliberated in public on the Applicant's request for recommendation.

Planning Board Determination

NOW, THEREFORE, BE IT RESOLVED, the Planning Board recommends that based upon the plan presented to the Planning Board, the applicant should continue their proceedings before the Village Board of Trustees for its proposed site plan approval.

Property Information

Location of site 83 Main Street, Dobbs Ferry, NY 10522

Tax map description:

Sheet _____ Block _____ Lot/Parcel 3.80-40-3

Current Zoning Classification Mixed Use

Description of Project Renovation of existing Barn Building

- Commercial space on first floor (current use)

- Apartment on second floor/roof

- Renovation includes new staircase, windows, dormers

- Footprint and height are unchanged

- Added 105 sf. @ 5ft. above finished floor (AFF) + greater.

Signature of Applicant, if Owner or Signature of Owner Kevin Hartnett

Date 1/22/24

Submittal Requirements

Plans attached are submitted at the direction of the Building Inspector for review by the following board (check all that apply):

- ☒ BOT- 1 PDF copy + 5 paper copies ¼ scale
- ☐ PB - 1 PDF copy + 4 paper copies ¼ scale

In addition, a Short Environmental Assessment Form and Coastal Assessment Form must be submitted with each application.

Submittal Deadlines

Planning Board and Board of Trustees: All new applications must be received by the calendar marked deadline, 15 business days before the meeting. Items that were adjourned from the previous meeting must be submitted 10 business days before the meeting date.

All submissions and documents must be submitted to the Building Department.

**Site Development Plan Review
Checklist**

Technical Considerations:

North Arrow, Scale date	<u>X</u>
Property boundary, dimensions and angles	<u>X</u>
Easements and deed restrictions	<u>N/A</u>
Names, locations and widths of adjacent streets	<u>X</u>
Land use, zoning, ownership and physical improvement of adjacent properties	<u>X</u>

List of Required Plans for Approval:

Survey	<u>X</u>
Existing Conditions Plan with Topography	<u>X</u>
Site Plan with Zoning Table	<u>X</u>
Landscaping Plans	<u>N/A</u>
Tree Removal Plan	<u>N/A</u>
Lighting Plans	<u>TBD</u>
Architectural Plans	<u>X</u>
Materials Specifications	<u>X</u>
Erosion and Sedimentation Control Plan	<u>N/A</u>
Grading and Drainage Plan with Topography	<u>N/A</u>
Stormwater Plan	<u>N/A</u>
Utilities Plan	<u>Existing Utilities</u>

Other Site Plan Elements:

Building & Structures	<u>X</u>
Natural Features	<u>X</u>
Wetlands	<u>N/A</u>
Hydrologic Features	<u>N/A</u>
Floodplains	<u>N/A</u>
Development Features	<u>N/A</u>
Vehicular and Pedestrian ways including ingress and egress	<u>X</u>
Site Improvements such as parking, storage, and recreation areas	<u>N/A</u>
Signs	<u>N/A</u>
Outdoor lighting and public address systems	<u>N/A</u>

Restoration Specifications

SIDEWALKS: In the case of sidewalks, each slab of concrete cut or damaged by the opening shall be replaced by new concrete, and no patching will be permitted.

ROADWAYS: On streets paved with blacktop or macadam, the existing pavement shall be cut back eighteen (18) inches beyond the original cut and the entire area repaved with blacktop or macadam to a depth of 2".

On streets paved with concrete or with a concrete base, the existing pavement shall be cut back twenty-four (24) inches beyond the original cut and the entire area repaved with concrete to match the existing street pavement.

Where an excavation is in a public roadway, the trench shall be filled to the level of the roadway with a 50 PSI K-crete or equivalent (cap-crete, etc.) For final restoration, the road shall be cut back as directed above, and the finished pavement shall be installed.

CURBS AND

DRIVEWAYS: Curbs shall be 16" stone or 18" concrete, with a 6" reveal. Where a curb crosses a driveway, a minimum 1 ½" reveal is required to the finished pavement

Standards for Building Permit

The items listed below should be reviewed by the applicant's design professional to aid in providing a complete submission.

SITE PLAN INFORMATION

1. X 24" x 36" maximum drawing size
2. X Minimum scale: (1" = 30")
3. X Project Name
4. X Name and address of engineer and surveyor
5. X Name and address of owner of record and applicant
6. X Drawings signed and sealed by P.E. or R.A.
7. X Original drawing date & revision dates
8. X Tax map section and lot numbers
9. X Location plan with existing and adjacent zoning district
10. X Scale, north arrow, date of survey, property acreage, drawings numbered (i.e., 1 of 3, etc.)
11. X Minimum yard setbacks
12. X Provide bulk zoning table with all existing, proposed, and required conditions
13. N/A Estimated quantity of cut or fill to be imported or removed from site
14. X Topography at two feet maximum intervals
15. X Topography along streets adjacent to property
16. X Existing conditions.
17. N/A Total amount of site area disturbed

DRAINAGE

1. N/A Collect and convey driveway runoff.
2. N/A Roof drains to discharge to existing or proposed drainage system.
3. N/A Surface inlets provided where low points cannot be graded to drain
4. N/A Swale provided between buildings and embankment which slopes toward building
5. N/A Culverts provided where roads or driveways cross watercourses
6. N/A Catch basin spacing adequate
7. N/A All rim and invert elevations provided
8. N/A 2 feet minimum cover of storm drains in roads, driveways, and parking areas. 18 inch minimum elsewhere
9. N/A Drywells provided with emergency overflow outlet pipes to grade. Multiple drywell systems should be connected by equalization pipes with rim and invert elevations posted
10. N/A Minimum storm drain pipe size 15" diameter
11. N/A Headwalls or end sections provided at pipe inlets and outlets
12. N/A Rip-rap provided at headwalls and end sections
13. N/A Provide cross section for pond or detention facility

SITE INGRESS/EGRESS

1. X Adequate sight distance at driveway intersection with road
2. X Site accessible to fire trucks, emergency vehicles, tractor-trailers for fill deliveries, etc.
3. X Backup space for parking area
4. X Driveways intersecting existing road at 90 degrees

SITE GRADING

1. N/A All proposed grading on property. Show limit line of disturbance.
2. N/A Driveway platform sloped at 4% maximum within 25 feet of centerline of street or within 35 feet from the Right-of-Way, whichever is the greater distance.
3. N/A Driveway slope 14% maximum.
4. N/A Parking area 5% maximum.
5. N/A Paved areas 1 % minimum grade at curb line.
6. N/A Lawn area 2% minimum.
7. N/A Top and bottom of retaining wall elevations provided.
8. N/A Outside grade pitched away from residence.
9. N/A Guide rail provided at steep drop offs.
10. N/A Spot elevations at corners of residence and parking area where necessary to ensure positive drainage.
11. X Finished floor elevations provided including basement.
12. N/A Plans and calculations for walls ≥ 4 feet Signed & Sealed by P.E., R.A.
13. N/A Provide profiles of proposed roads with vertical geometry.
14. N/A Provide horizontal geometry.

GENERAL

1. X Show existing and proposed utilities (water, sewer, etc.)
2. N/A Show snow piling areas.
3. N/A Show refuse areas with enclosures
4. N/A Show zoning map with districts (school, fire, etc.)
5. N/A Show signage.
6. N/A Show landscaping.
7. N/A Provide sections and details of retaining walls
8. N/A Provide phasing plan for areas over 5 acres.
9. N/A Provide lighting plan.
10. N/A Maintain low noise level at property line.
11. N/A ADA compliance

MISCELLANEOUS ITEMS

1. Proposed easements
 - a. N/A Temporary construction
 - b. X Drainage
 - c. N/A Sight
 - d. X Slope
 - e. X Driveway access
2. N/A Existing sanitary disposal system in the vicinity of construction activity protected with temporary fencing.

SITE PLAN NOTES

1. General construction notes.
2. Construction Sequence shown on plans.
3. The following notes shall be provided on the plans:
 - Should rock blasting be required, a permit application in accordance with Chapter 125 - Blasting and Explosives of the Village of Dobbs Ferry Code must be submitted to the Village by the applicant for review/approval.
 - The Village Engineer may require additional erosion control measures if deemed appropriate to mitigate unforeseen siltation and erosion of disturbed soils.
 - Built plans of the proposed driveway and drainage improvements shall be submitted to the Village Engineer for review prior to issuance of Certificate of Occupancy.
 - Fill material imported to the site shall be certified in writing by a New York Licensed Professional Engineer as clean, non-contaminated fill suitable for the intended use.
 - "Before the site plan is signed by the Chairman of the Planning Board, the applicant shall be required to post a performance bond or other type of acceptable monetary guaranty which shall be in an amount determined by the Planning Board and the Village Engineer and in a form satisfactory to the Village Attorney".

The following notes shall be provided on plans that involve SWPPP's:

- The applicant shall notify the Building Department Village's Consulting Engineer in writing at least 48 hours before any of the following so that any inspection may be performed.
 1. _____ Start of construction
 2. _____ Installation of sediment and erosion control measures.
 3. _____ Completion of site clearing.
 4. _____ Completion of rough grading.
 5. _____ Installation of SMP's.
 6. _____ Completion of final grading and stabilization of disturbed areas.
 7. _____ Closure of construction.

8. _____ Completion of final landscaping; and
9. _____ Successful establishment of landscaping in public areas.

- "The owner or operator shall have a qualified inspector inspect and document the effectiveness of all erosion and sedimentation control practices and prepare inspection reports at least once a month. These reports must be kept on site and available for review".

Short Environmental Assessment Form

Part 1 - Project Information

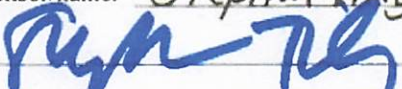

Instructions for Completing

Part 1 – Project Information. The applicant or project sponsor is responsible for the completion of Part 1. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification. Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information.

Complete all items in Part 1. You may also provide any additional information which you believe will be needed by or useful to the lead agency; attach additional pages as necessary to supplement any item.

Part 1 – Project and Sponsor Information			
Hartnett Renovation of an Existing Barn Building			
Name of Action or Project: 83 Main Street			
Project Location (describe, and attach a location map): map included			
Brief Description of Proposed Action: - Commercial space on first floor (current use) - Apartment on second floor/roof - Renovation includes new staircase, windows, dormers - Footprint and height unchanged - Add 105sf @ 5 feet above finished floor (AFF) + greater.			
Name of Applicant or Sponsor: Stephen Tilly, Architect		Telephone: 914-693-8898	
		E-Mail: office@stillyarchitect.com	
Address: 22 Elm Street			
City/PO: Dobbs Ferry		State: NY	Zip Code: 10522
1. Does the proposed action only involve the legislative adoption of a plan, local law, ordinance, administrative rule, or regulation?		NO	YES
If Yes, attach a narrative description of the intent of the proposed action and the environmental resources that may be affected in the municipality and proceed to Part 2. If no, continue to question 2.		<input checked="" type="checkbox"/>	<input type="checkbox"/>
2. Does the proposed action require a permit, approval or funding from any other government Agency?		NO	YES
If Yes, list agency(s) name and permit or approval:		<input checked="" type="checkbox"/>	<input type="checkbox"/>
3. a. Total acreage of the site of the proposed action?		.20 acres	
b. Total acreage to be physically disturbed?		.06 acres	
c. Total acreage (project site and any contiguous properties) owned or controlled by the applicant or project sponsor?		.55 acres	
4. Check all land uses that occur on, are adjoining or near the proposed action:			
<input type="checkbox"/> Urban <input type="checkbox"/> Rural (non-agriculture) <input type="checkbox"/> Industrial <input checked="" type="checkbox"/> Commercial <input checked="" type="checkbox"/> Residential (suburban) <input type="checkbox"/> Forest <input type="checkbox"/> Agriculture <input type="checkbox"/> Aquatic <input type="checkbox"/> Other(Specify): <input type="checkbox"/> Parkland			

5. Is the proposed action,	NO	YES	N/A
a. A permitted use under the zoning regulations?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
b. Consistent with the adopted comprehensive plan?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
6. Is the proposed action consistent with the predominant character of the existing built or natural landscape?	NO	YES	
	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
7. Is the site of the proposed action located in, or does it adjoin, a state listed Critical Environmental Area?	NO	YES	
If Yes, identify: _____	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
8. a. Will the proposed action result in a substantial increase in traffic above present levels?	NO	YES	
	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
b. Are public transportation services available at or near the site of the proposed action?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
c. Are any pedestrian accommodations or bicycle routes available on or near the site of the proposed action?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
9. Does the proposed action meet or exceed the state energy code requirements?	NO	YES	
If the proposed action will exceed requirements, describe design features and technologies: <i>Will meet existing building code compliance</i>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
10. Will the proposed action connect to an existing public/private water supply?	NO	YES	
If No, describe method for providing potable water: _____	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
11. Will the proposed action connect to existing wastewater utilities?	NO	YES	
If No, describe method for providing wastewater treatment: _____	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
12. a. Does the project site contain, or is it substantially contiguous to, a building, archaeological site, or district which is listed on the National or State Register of Historic Places, or that has been determined by the Commissioner of the NYS Office of Parks, Recreation and Historic Preservation to be eligible for listing on the State Register of Historic Places?	NO	YES	
	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
b. Is the project site, or any portion of it, located in or adjacent to an area designated as sensitive for archaeological sites on the NY State Historic Preservation Office (SHPO) archaeological site inventory?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
13. a. Does any portion of the site of the proposed action, or lands adjoining the proposed action, contain wetlands or other waterbodies regulated by a federal, state or local agency?	NO	YES	
	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
b. Would the proposed action physically alter, or encroach into, any existing wetland or waterbody?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
If Yes, identify the wetland or waterbody and extent of alterations in square feet or acres: _____			

14. Identify the typical habitat types that occur on, or are likely to be found on the project site. Check all that apply:		
<input type="checkbox"/> Shoreline <input type="checkbox"/> Forest <input type="checkbox"/> Agricultural/grasslands <input type="checkbox"/> Early mid-successional <input type="checkbox"/> Wetland <input type="checkbox"/> Urban <input checked="" type="checkbox"/> Suburban		
15. Does the site of the proposed action contain any species of animal, or associated habitats, listed by the State or Federal government as threatened or endangered?	NO <input checked="" type="checkbox"/>	YES <input type="checkbox"/>
16. Is the project site located in the 100-year flood plan?	NO <input checked="" type="checkbox"/>	YES <input type="checkbox"/>
17. Will the proposed action create storm water discharge, either from point or non-point sources? If Yes,	NO <input checked="" type="checkbox"/>	YES <input type="checkbox"/>
a. Will storm water discharges flow to adjacent properties?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
b. Will storm water discharges be directed to established conveyance systems (runoff and storm drains)?	<input type="checkbox"/>	<input checked="" type="checkbox"/>
If Yes, briefly describe: <u>no change to existing footprint and stormwater drainage at grade</u>		
18. Does the proposed action include construction or other activities that would result in the impoundment of water or other liquids (e.g., retention pond, waste lagoon, dam)? If Yes, explain the purpose and size of the impoundment:	NO <input checked="" type="checkbox"/>	YES <input type="checkbox"/>
19. Has the site of the proposed action or an adjoining property been the location of an active or closed solid waste management facility? If Yes, describe:	NO <input checked="" type="checkbox"/>	YES <input type="checkbox"/>
20. Has the site of the proposed action or an adjoining property been the subject of remediation (ongoing or completed) for hazardous waste? If Yes, describe:	NO <input checked="" type="checkbox"/>	YES <input type="checkbox"/>
I CERTIFY THAT THE INFORMATION PROVIDED ABOVE IS TRUE AND ACCURATE TO THE BEST OF MY KNOWLEDGE Applicant/sponsor/name: <u>Stephen Tilly / Stephen Tilly, Architect</u> Date: <u>01/23/2024</u> Signature: <u></u> Title: <u>Principal</u>		

DOBBS FERRY — NEW YORK —

LWRP CONSISTENCY REVIEW COASTAL ASSESSMENT FORM

Name of Applicant: Stephen Tilly / Stephen Tilly, Architect

Mailing address: 22 Elm Street

Dobbs Ferry, NY 10522

Telephone number: 914-693-8898

Tax Lot#: 3.80-40-3.

Application number, if any: A2023-0526

A. INSTRUCTIONS (Please print or type all answers)

1. All applicants, including the Village of Dobbs Ferry and other agencies, shall complete this CAF for proposed actions subject to **Local Law# 10-05 - LWRP Consistency Law**. This assessment is intended to supplement other information used by the Dobbs Ferry Planning Board in making a determination of consistency with the Coastal Management Policies set forth in the Dobbs Ferry Local Waterfront Revitalization Program (LWRP).

2. All applicants shall complete Sections B and C of this Coastal Assessment Form. If the proposed action meets any of the criteria listed in Section C, Section D must be completed.

3. In Section D, a proposed action should be evaluated as to its potential beneficial and/or adverse effects upon the coastal area and how it may affect the achievement of the specific policy standards contained in the LWRP and the LWRP Consistency Law.

4. Once evaluated, a proposed action may need to be analyzed in more detail and, if necessary, modified prior to making a determination that it is consistent with the LWRP policy standards. If an action to be certified as consistent with the LWRP policy standards, it shall not be undertaken.

B. DESCRIPTION OF SITE AND PROPOSED ACTION

1. Type of action (check appropriate response):

a) Directly undertaken (e.g., capital construction, planning activity, agency regulation, land transaction) _____

b) Financial assistance (e.g., grant, loan, subsidy) _____

- c) Permit, approval, license, certification site plan approval
d) Party or Agency undertaking action: _____

2. Describe nature and extent of action: Building permit for restoration of an existing Barn Building

3. Location of action (Street or Site Description): 83 Main Street
Dobbs Ferry, NY 10522

C. COASTAL ASSESSMENT CRITERIA

Please check any of the following criteria that describe the proposed action.

- ☐ 1. The proposed action has direct contact with coastal waters, i.e., the Hudson River and/or its tributaries - Wickers Creek and the Saw Mill River.
- ☐ 2. The proposed action utilizes coastal waters, either directly or indirectly.
- ☐ 3. The proposed action involves natural features such as tree cover, hillsides, steep slopes, ridgelines and wetlands that either effect or are affected by coastal waters.
- ☐ 4. The proposed action demonstrates a relationship to coastal waters. The relationship may be recreational, cultural, historic, or business.
- ☐ 5. The proposed action has a direct visual relationship with coastal waters and their waterfronts.

If the proposed action meets any of the above criteria, Section D must be completed.

D. COASTAL ASSESSMENT

The following thirteen questions are based directly on the Coastal Management Policies set forth in Section III of the Dobbs Ferry LWRP. The preparer of this form should review these policies which are available online at www.dobbsferry.com/content/waterfront and also on file in the Village of Dobbs Ferry Clerk's office. Please answer every question and provide a brief explanation. If necessary, you may attach further explanation or refer to other available documentation relating to the proposed action.

Applicant

1. Does the proposed action foster a pattern of development in the coastal area that enhances community character, open space preservation, use of existing infrastructure, use of a coastal location?

☐ YES ☐ NO ☒ Not Applicable

2. Does the proposed action preserve historic and archaeological resources?

☐ YES ☐ NO ☒ Not Applicable

3. Does the proposed action protect existing scenic resources or enhance visual quality in the community?

☐ YES ☐ NO ☒ Not Applicable

4. Does the proposed action minimize loss of life, structures, and natural resources from flooding and erosion?

☐ YES ☐ NO ☒ Not Applicable

5. Does the proposed action protect or improve water resources?

☐ YES ☐ NO ☒ Not Applicable

6. Does the proposed action protect or restore ecological resources, including significant fish and wildlife habitats, wetlands, and rare ecological communities?

☐ YES ☐ NO ☒ Not Applicable

7. Does the proposed action protect and/or improve air quality?

☐ YES ☐ NO ☒ Not Applicable

8. Does the proposed action minimize environmental degradation from solid waste and hazardous substances and wastes?

☐ YES ☐ NO ☒ Not Applicable

9. Does the proposed action improve public access to and recreational use of public lands and waters?

☐ YES ☐ NO ☒ Not Applicable

10. Does the proposed action protect water-dependent uses, promote siting of new water-dependent uses in suitable locations, and/or support efficient harbor operation?

☐ YES ☐ NO ☒ Not Applicable

11. Does the proposed action promote the sustainable use of fish and wildlife resources?

☐ YES ☐ NO ☒ Not Applicable

12. Does the proposed action protect agricultural lands?

☐ YES ☐ NO ☒ Not Applicable

13. Does the proposed action promote appropriate use and development of energy and mineral resources?

☐ YES ☐ NO ☒ Not Applicable
