RESOLUTION REVISING MASTER FEE SCHEDULE TREE REPLACEMENT FEES

WHEREAS, Section 175-4 of the Dobbs Ferry Village Code permits the adjustment of fees in the master Fee Schedule by a resolution of the Board of Trustees; and

WHEREAS, the Board has determined, upon recommendation by the Village Building Inspector and the Dobbs Ferry Tree Commission, that an adjustment is warranted at this time to adopt a fee schedule to reflect the requirements set forth in §300-51 "Tree Preservation".

NOW THEREFORE BE IT RESOLVED that the Board of Trustees adopts the following fees in connection with tree valuation costs and instructs that they be included by the Village Clerk in the master Fee Schedule:

Tree Valuation	\$366-\$400 per dbh
----------------	---------------------

(*) range of valuation is a reasonable estimate based on a survey of the cost to replace a 2" – 3" non-invasive tree. The Village reserves the right to assign the fee following an evaluation of the current market and the size and species of tree(s).
