Good morning Kendra,

We received internal approval from the little league board of directors to move our softball night (May 12) and baseball night (May 13) at Memorial forward. We would like to add it to your agenda for April 11.

Essentially, the plan is to rent 6 lights, stand two up on the infield, one each in short left and short right in foul territory, and two in the outfield as you see in the plan below. What would you need from me to get this on your docket?

Michael Baron
