Dear Mr. Leins,

We are in the process of planning the Road to Freedom Walk for 2023. This commemoration has been an annual event in Dobbs Ferry since 2006 as a shared initiative of the Dobbs Ferry Historical Society and the Village of Dobbs Ferry. We would like the first part of the event to follow our customary commemorative historic Walk led by fife and drum along Ashford and Broadway, following the path of the Continental Army on August 19, 1781. The second part of the event at the Mead House will commemorate Dobbs Ferry's overall history, not limited to the Revolutionary period, in honor of the village's sesquicentennial.

In order to involve students and the scouts (and avoid Jewish holidays) we would like to hold the event on Sunday, October 15. Could you let me know how to best proceed to obtain approval? Since we need to engage multiple reenactors and interpreters (for a busy part of the year), it is really important to have a designated date as soon as we can.

Thanks very much for your help,
Linda Borkow
