Re: Permission to declare defunct RICI LiveScan equipment as surplus

Date: August 4, 2020

On July 13, 2020 at about 1300 hours, IDEMIA installed the department's new and updated RICI Livescan fingerprint station, located in the Booking Area of Headquarters. With this new installation, the old LiveScan hardware, ie. metal cabinet frame and lighting is no longer a necessary piece of equipment for this agency. With your permission, the Dobbs Ferry Police Department seeks permission to declare this equipment as surplus.
