RE: Equipment Rental and Labor Rates Contract Extension

In May 2018, we awarded the Equipment Rental and Labor Rates bid to the overall lowest bidder, Tom Bucci Excavating. I am requesting the Board to consider extending the contract for Equipment Rental and Labor Rates for another year to ensure the best prices for the Village. I have spoken to the owner of Tom Bucci Excavating and he is willing to extend the contract for another year. The contract expired on May 31, 2020 and we would like to extend it to May 31, 2021. If approved, the contract will be effective June 1, 2020. Thank you for your consideration.
