November 10, 2017

On behalf of the Board of Trustees and the entire Village, we want to extend our deepest appreciation and gratitude - and to say **'Thank You'** - to all of the men and women who have served in the Armed Services - our bravest citizens who have made the greatest commitment to serve in order keep us safe and free, including those who have made the ultimate sacrifice.

.. and we also owe a deep gratitude to all of the Families who have supported our **Veterans**.

We are so proud of all of the Veterans throughout the land and those who come from our own community; **American Legion Post 1048** and the **Auxiliary** ... who always lead and remind us of the importance to recognize the dedication and sacrifices made by so many

We Thank You and we Love You.
