

DOBBS FERRY DAY CAMP

C.I.T. PROGRAM

Counselor In Training

Join us this summer and be a part of the Dobbs Ferry Day Camp's Counselor-in-Training (CIT) program!

What is a CIT Program?

The purpose of the Counselor-in-Training (CIT) program is to prepare young adults to take future leadership roles working with children in camps and other professional settings. The CIT program is designed to teach CITs the skills needed to work with children and to help them improve their leadership, team-building, and communication skills. The CIT program is an educational program, with a curricula designed to develop the people and technical skills necessary to be an effective camp counselor. It is not "working" at camp. A CIT is still technically a camper and therefore bound by many of the same rules and restrictions as regular campers. Participants are asked to be role models to young campers by exhibiting positive leadership and behaviors.

Who is Dobbs Ferry Day Camp looking for?

The Dobbs Ferry Day Camp CIT program is looking for **12** energetic and motivated teenagers (ages 14 & 15 years old; entering 9th grade through entering 11th grade) who want to learn and develop leadership skills working with children in a camp setting. CIT's must be available for the entire summer program (July 8th – August 9th). Each CIT will be placed with a specific age group and work with the counselor in charge of that group. CITs will swim and participate in all activities with their assigned group.

CIT's responsibilities with Campers:

The CIT's will be subject to the same code of behavior and policies as regular program staff and will participate in all aspects of camp life. Under the supervision of a senior counselor they will:

- Make the camp a fun place to be, helping to devise and plan games and activities.
- Help provide a safe and supportive atmosphere for campers
- Help campers resolve conflicts

Applications due April 17th
