

The Village of Dobbs Ferry Recreation Department
and Dobbs Ferry Library

in partnership with

Curiositas
where curious minds thrive

Present:

Environmental Science

Pre-School Ages 4-5 years

THURSDAYS 1:30 - 2:30 pm

Feb. 22, March 1, 8, 15, 22, 29

Location: Dobbs Ferry Library

Curilogists is a program based on the idea that pre-schoolers like to pretend and explore and learn! In this 6-week session, they play the role of scientists and explore themes that encompass a physical connection to the world around them. Each lesson is designed to provide a sensory experience to enhance a child's natural curiosity. We explore "forces of nature," (gravity, momentum, etc.) and "actions and reactions" (what happens when two things mix or collide?). Each class starts with a brief discussion about the week's theme. Then we conduct experiments, asking for predictions and observations. The outcomes always include learning and having fun!!

Fee: \$140.00 Residents \$155.00 Non-residents

For further information: Please contact Kendra Garrison via email at: kgarrison@dobbsferry.com

There are limited number of scholarships available. Please contact the Rec Office.

CURIOLOGISTS WINTER 2018

Child's Name: _____ D.O.B: _____ Phone #: _____

Parents Name: _____ E-mail: _____

Address: _____ Allergies: _____

In consideration of your accepting this registration form, I the undersigned, for executors, my administrators, assignees and myself, do hereby discharge the Village of Dobbs Ferry Recreation Department, all its sponsors, organizers, and their representatives and successors from all claims of damage demands, action and causes of actions whatsoever, in any manner arising or growing out of my participation in said program. I further attest that my child is physically qualified to participate in the program.
