## Wednesday Workshop

Gr. K-6: May 9th, 2:30 - 5:30 p.m.

## Location: Dobbs Ferry Library

All Robotics. All afternoon! Our Wednesday Robotics Workshop explores instruction and challenges in basic robotics and programming. Using platforms such as Ozobots, Edison, and Zoob builders, we'll learn and practice programming devices to follow instructions and then design, construct, engineer, explore and experiment. And of course, there's always the Robo-Sumo Derby!

**Fee: \$75.00 for Dobbs Ferry residents**
