

Dobbs Ferry Human Rights & Diversity Committee Community Survey

The DF Human Rights and Diversity Committee is a Village entity that was created by Mayor Rossillo in 2020. Our mission is to recognize, educate, advise, and refer matters related to inclusion, human rights, diversity, and equity within our village. We appreciate your time and effort in completing this survey. The purpose of this survey is to:

:: Understand how community members who live, work, study, visit, and/or worship in Dobbs Ferry think and feel about diversity, equity, and inclusion in our village

:: Invite community members' ideas and suggestions about how Dobbs Ferry can become an even more welcoming and affirming village

The information we gather from this survey will enable us to develop strategies, opportunities, and activities that will enhance our village's diversity, equity, and inclusion. A summary of the survey findings will be shared with the Village BOT and the community at large.
