Dobbs Ferry, NY 10522

Fiscal Year 2022-2023 Village of Dobbs Ferry Tentative Budget

During a Public Workshop held on March 16, 2022, Administration and Department Heads presented their departmental budget operating requests for review. As a result of that workshop, we respectfully submit the Tentative Fiscal Year 2022-2023 (FY 22-23) Operating Budget for your review and consideration. This Tentative Budget will be presented to the Board of Trustees and to the taxpayers during a Public Hearing on April 12, 2022. The Board of Trustees may make changes to this Tentative Budget over the next several weeks and shall adopt the Final FY 22-23 Operating Budget before May 1, 2022.

It is amazing that we are at the beginning of the third year of the COVID-19 pandemic; however, with the rollout and ramp up in production of vaccines it seems that life may finally be starting to return to “normal”. This year we present another conservative budget and continue to scrutinize every penny spent. This Tentative Budget consists of estimates of revenues and expenditures based on past and current results, estimated trends to try to account for the possibility of slowing or lower assessment, and incorporates increased capital needs.

There continues to be strong investment in both the public and private sectors within Dobbs Ferry. This continued investment helps Village taxpayers by increasing the Tax Assessment Roll which strengthens Village finances. We anticipate that the ongoing receipt of proposals for private sector projects in the Downtown Business District and throughout the Village will bolster the economic condition going forward. Encouraging this type of investment will continue to grow the Village by attracting new residents and businesses all looking to invest, live, work, and play here.

The Village has worked hard to strengthen its financial stability in an effort to reduce costs to the taxpayers. This hard work has resulted in a strong General Fund unassigned fund balance of \$3.6 million at the end of FY 20-21. In July 2021, Moody’s Investors Service reaffirmed the Village’s financial rating of Aa2, which is the highest rating a Village of this size can attain. The Village also received strong results on the New York State Fiscal Stress Test where the State reviewed and assessed many factors of the Village’s financial operations. Considering the strong financial stability of the Village, we anticipate that the taxpayers will continue to see real savings as we

consider financing capital projects. However, the Village needs to remain conservative going forward. The tax cap legislation, made permanent in the Governor's 2019-2020 State Budget, continues to put pressure on the Village's ability to provide essential services to the taxpayers. Therefore, the Village needs to find areas to increase revenues, or may be forced to consider an override of the tax cap in the future.

Village Administration continues to assess ways to strengthen the financial condition of the Village with a recommendation to designate a capital project reserve line and an equipment repair reserve line. The designation of these funds will help provide savings going forward in the form of lower financing costs. Reserve lines allow the Village to put funds aside in a "savings" account to be used for capital projects or equipment purchases. This will enable the Village to use these "savings" accounts to reduce potential debt issued in the form of serial bonds, thereby saving on interest payments in the future. Furthermore, rating agencies look for the amount of reserves available when issuing financing ratings. The more funds designated to reserves, the better the rating. The better the rating, the better the interest rate on issued debt when needed.

The total Tentative Budget for FY 22-23 proposes a tax levy of \$15,634,900. The levy allocation is \$14,859,706 for the General Fund and \$775,194 for the Public Library respectively. This reflects a 4.69% increase over FY 21-22. The proposed levy is within New York State's "Property Tax Cap" legislation that allows municipalities to increase their levies by 2% or the percentage increase in the Consumer Price Index (CPI), whichever is lower. There is an additional state determined Growth Factor, which means that a tax levy can be more than 2%. For FY 21-22 the Growth Factor allowed the Village to raise the tax levy to \$15,651,613. The Village is able to carry the difference between the proposed levy and the allowable levy, \$16,713, to the next fiscal year. The Village has not surpassed the cap since the State of New York adopted the legislation several years ago. The proposed tax levy calculates to a rate of \$7.08 per \$1,000 of assessed value, which represents a slight decrease as compared to last year's tax rate of \$7.09. The total taxable assessed value of real property within the Village increased again this year to \$2,209,402,366. This represents a 4.86% increase over last year's assessed value of \$2,107,004,704. The taxable assessed value has seen strong increases the past several years benefitting Village taxpayers significantly.

The Village tries to minimize any tax levy increase while continuing to fund rising costs. This is an increasingly difficult task in an environment where employee benefits, including health insurance and retirement system costs, continue to rise. Personnel costs continue to be the largest expense in the Tentative Budget. However, maintaining personnel enables the Village to provide the highest level of essential services for our taxpayers. Over the past several years we have worked closely with the Teamsters and PBA unions to control personnel costs. During contract negotiations with both unions, we negotiated additional employee contributions toward the cost of health insurance, which results in lower costs to the Village. The Administration will continue to seek ways to reduce Personnel costs, with a focus on increasing non property tax revenues.

This Tentative Budget is an estimate of revenues and expenditures put together by department heads and the Administration with information available to us at this time. We conservatively estimate where we believe both expenditures and revenues will trend for the next fiscal year. The largest source of revenue available to the Village is the property tax levy, but there are several revenue sources that the Village relies on to offset the tax levy. One revenue source is the sales and use tax, which is dependent on the economy. Other revenue sources such as hotel taxes, interest earnings, parking meter and permit revenue, can vary greatly from year to year. We have not seen a return of parking meter and parking permit revenues to pre-COVID-19 levels, and have continued with lower revenue estimates for these items in this budget. We anticipate that these revenue sources will return to pre-COVID levels in the future, however we are not able to

determine when this will occur. The Administration’s plan is to review fees over the next fiscal year to determine if there are any areas to improve non-property tax revenues.

This Tentative Budget balances increased costs with the least impact possible to taxpayers in the Village. Considering increased employee benefits costs, increased costs of goods and services, and ever-increasing capital costs, such as maintaining our municipal buildings, streets, and fields, this Tentative Budget keeps the tax rate at one of the lowest amongst the Rivertown Villages.

We again would like to thank all the department heads as they worked closely with the Village Administrator, the Treasurer’s Office, and Village Officials to present a very tight and challenging budget. The Village continues to face an environment that demands increased services, and we will continue to work hard to present the lowest budgets possible in an effort to seek the highest level of service for the residents of Dobbs Ferry at the most effective cost. The commitment of both the elected Village officials and the Village staff is to ensure the health, safety, and quality of life of our residents.

EXPENDITURES

Expenditures increased over the FY 21-22 Adopted Budget. There are several reasons for the increase; employee costs continue to be the largest component of the increase. The Village Administrator and Village Treasurer have carefully reviewed each line item with the department heads and staff and we are working toward keeping expenditures as low as possible without negatively impacting Village services and day-to-day operations.

Summary Comparison of Expenditures by Category, including the Library and Sewer Funds

Governmental Function of Proposed Appropriation Increases	Adopted 2021-22	Tentative 2022-23	Increase/ (Decrease)
General Government Support	\$ 3,585,692	\$ 3,547,289	\$ (38,403)
Public Safety	5,092,272	5,505,036	412,764
Health	11,450	11,450	-
Transportation	1,335,871	1,462,928	127,057
Culture and Recreation	1,437,967	1,626,870	188,903
Home and Community Services (i.e. garbage and sewers)	1,244,378	1,341,440	97,062
Employee Benefits	5,207,911	5,454,012	246,101
Debt Service - Long Term	2,214,688	1,880,813	(333,875)
Interfund Transfers - Capital Fund	-	375,000	375,000
Subtotal	\$ 20,130,229	\$ 21,204,838	\$ 1,074,609
Library Fund	838,015	844,194	6,179
Sewer Fund	634,211	644,062	9,851
Total	\$ 21,602,455	\$ 22,693,094	\$ 1,090,639

REVENUES

Property taxes account for 68.87% of all Village revenue. Income from sales taxes and other non-property taxes provide another 11.94%, with State Aid, departmental income and sewer rents combined at 14.82%. Again, we conservatively project anticipated changes in both the current economic environment and actual historical amounts received in prior years to generate our revenue estimate. The operating budget includes a transfer from the Debt Service Fund of \$300,000 and Appropriated Fund Balance of \$889,250.

Overall, this budget requests an increase in appropriations of \$1,090,639 and an increase in the tax levy of \$700,038. Several other revenue appropriations increased while appropriated fund balance remained unchanged. The tax levy increase is 4.69% and once again is within the allowable increase of the State’s property tax cap.

Summary of Revenues by Category, including Library and Sewer Funds

Total	\$ 21,602,455	\$ 22,703,094	

FINANCIAL PLAN

This Tentative Budget is presented as a starting point for informed policy making decisions. We have itemized some of the major items that influenced decisions made while creating the Tentative 2022-2023 Budget:

- The Federal Government passed a COVID-19 Economic Relief bill, known as the American Rescue Plan Act (ARPA) that made funds available to municipalities hard hit by the COVID-19 pandemic. The Village allocation of ARPA funding is \$1,130,971. At this time, Village Administration continues to determine the best way to utilize these funds, and has until December 31, 2026 to spend the Village's allocation.
- Administration is in the process of reviewing all revenue sources currently used and others that are available. The plan for 2022-2023 is to look into several potential sources of revenues not paid by Village taxpayers to help defray increasing budgetary costs.
- The sewer fund created at the beginning of FY 20-21 continues to allow the Village to remove over \$200,000 from the general operating fund in this budget. The fund will allow the Village to complete an assessment of the sanitary sewer system and propose repairs and improvements that again will be paid by all users of the system.
- The following is the Village's fiscal stress score for the past three fiscal years. A score of 0 to 44.9 is considered "no designation". A score of 45 to 54.9 is determined as being susceptible to stress, 55 to 64.9 shows moderate stress, and a score above 65 shows significant distress.

<u>FYE</u>	<u>Score</u>	<u>Designation</u>
2019	12.9	No Designation
2020	6.7	No Designation
2021		Not Yet Available

The Mayor and Board of Trustees, Administrator, Treasurer, and Department Heads continue to work hard and have been fiscally conservative for many years to maintain the Village's financial stability. We will continue to do this for years to come.

- Personnel costs, are the largest Village expenditure, and continue to increase. To date, we have been able to absorb increases in personnel costs by replacing retirees with entry level staff who are paid at a rate substantially less than their predecessor. Entry level staff are typically in a less costly retirement tier, and contribute more to their healthcare costs. We will continue to manage personnel costs and keep a balance that benefits the taxpayers.
- The Village continues to face an aging infrastructure. The departments have provided the Board of Trustees with a listing of areas that need attention in the near future. At this time the debt load, or the amount of the Village's outstanding bonds, is getting low, and the potential exists to utilize long-term debt to get some of the infrastructure replaced or updated.

In summary, the Village Administrator, Village Treasurer and department heads have provided a Tentative Budget with the continuing understanding to perform more services with less funding in this tax cap era. With this in mind, we present a Tentative Budget that allows the Village to provide the essential services our residents deserve with a financial impact as minimal as possible.

In closing, we would like to thank all of the Departments for working so hard on a daily basis, their contributions, and working with the Village Administrator and Village Treasurer on the budget process. We also want to thank all of the dedicated employees who are willing to do what it takes to make the Village a wonderful place to live and work, and to the Village Board for providing us with the opportunity to work for the Village.

Respectfully submitted,

Melissa Ferraro
Village Administrator

Jeff Chuhta
Village Treasurer
